WBRC Centennial Scholarship

General Information

A competitive scholarship of \$1,000 is awarded annually to a Maine high school senior who is planning to study architecture or engineering (civil, structural, mechanical or electrical).

Student should be accepted to an architecture or engineering school that is recognized as an accredited college by the appropriate licensing group.

Application forms must be emailed to by May 15 to landon.cornelius@wbrinc.com with the subject line "WBRC Scholarship."

Upon selection, the winning student's credentials will be verified by his or her high school guidance counselor.

The \$1,000 award check will be given to the winning recipient upon satisfactory completion of the first semester of post-secondary education and will be payable to the recipient.

Eligibility Criteria

The recipient must be accepted to, and must attend, a two- or four-year post-secondary educational institution with a major in architecture or engineering.

The recipient must have at least a 2.5 grade point average at the end of the first semester. An official grade transcript must be provided to Accounts Payable at brianne.beck@wbrcae.com within one month after grades are distributed.

Background

This scholarship was created in 2002 in celebration of WBRC's 100th anniversary.

We are excited each year to hear from Maine seniors who are entering the A/E profession! A special thanks to the many Maine high school guidance professionals who let eligible students know about this scholarship.

WBRC Centennial Scholarship

Applications must be received no later than May 15, 2022. Please email completed application to landon.cornelius@wbrcinc.com. Incomplete or late applications will not be accepted. By submitting this application, you are giving us permission to contact your school guidance counselor for verification of your credentials, should you be selected as a finalist. Also, don't forget to complete the essay portion on page two. We look forward to learning about you!

First Name _____ Last Name _____

Home Address: _____

Email address: _____ Telephone: (____) ____ - _____

GPA: ____ Class rank: _____ Guidance counselor email: _____

High school attending: _____

FINANCIAL INFORMATION

College/university you plan to attend: _____ Accepted: Yes No

Major field of study: _____

Estimate your total educational expenses for next year: _____

What have you done to help pay for your education?

What financial responsibilities do you have now? (Example: clothing, lunches, entertainment)

Will you be working while attending college/university? If yes, where?

ACTIVITIES, SPORTS, ETC.

List all clubs, activities, sports, etc. in which you have participated (both in school and the community) including offices held and honors received.

WBRC Centennial Scholarship

ESSAY

Why are you choosing architecture or engineering as a profession?

** Please note: Student must achieve a GPA of at least 2.5 at the end of the first semester of college in order to receive his or her award. A transcript of grades must be provided within one month after first semester ends.*
