

Design that Improves Lives™  
[wbrcae.com/va](http://wbrcae.com/va)

Clients: Federal clients include 16 VA Medical Centers in nine states; 250+ USPS projects, and a long history of successful military projects.

Team: 50+ professionals with a dedicated health-care studio. WBRC combines timeless principles and attentive service with superior technology and time management. We deliver the design solutions VA clients need, when they need them!

Reach: WBRC Architects Engineers serves clients in 28 states and counting from five offices in Maine, Florida, Maryland & Michigan.
